# Cambewarra Public School Behaviour Support and Management Plan

### Overview

Cambewarra Public School is committed to explicitly teaching and modelling positive behaviour and to supporting all students to be engaged with their learning. Key programs prioritised and valued by the school community are our School's Core Values that are underpinned by the school's motto 'Strive for the Highest', Living Ripples data collection and Zones of Regulation. Student voice is valued and sort for all and a major part of our decision-making process when managing the school.

# Promoting and reinforcing positive student behaviour and school-wide expectations

Cambewarra Public School has the following school-wide rules and expectations:

• 'Strive for the Highest' is our school motto underpinned by the values;

At Cambewarra School we Strive for the Highest

- $\cdot$  We are kind
- We are responsible
- We are a team

Cambewarra Public School uses the following strategies and systems to explicitly teach, recognise and reinforce positive student behaviour and behavioural expectations:

- A whole school curriculum to explicitly teach the behaviours.
- Student academic reports include behavioural expectations.
- Whole School weekly assembly recognising and reinforcing behaviours.
- A whole School rewards system based on our Values;
  - Classroom rewards system Strive Value tickets
  - Fortnightly class assembly awards.

- Cambewarra Cambe Calf Kindness Award. A prestigious whole school award nominated by teachers.
- Regular focus on one for our School's Values explicitly teaching behaviours. This is announced at the odd week morning assembly.
- Reflection and restitution program to address behaviour issues.
- Reset space in classroom and playground (seats near the office or pods on oval) to reflect on individual behaviour using our Zones of Regulation.

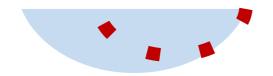

#### Behaviour code for students

The behaviour code for students can be found at <u>https://education.nsw.gov.au/public-schools/going-to-a-public-school/translated-documents/behaviour-code-for-students</u>.

High expectations for student behaviour are established and maintained through effective role modelling, explicit teaching and planned responses.

#### Partnership with parents/carers

Cambewarra Public School will partner with parents/carers in establishing expectations for parent engagement in developing and implementing student behaviour management strategies through consultation with Cambewarra PS, Parents & Community (P&C).

Cambewarra Public School will communicate these expectations to parents/carers byour communications strategy including our newsletter, website, app, P&C meetings and individual student case conferences as required.

#### **School Anti-bullying Plan**

Our Anti-Bullying Plan at Cambewarra aims to create a safe, supportive, and inclusive learning environment for all students. We are committed to preventing bullying in all forms, including physical, verbal, social, and cyberbullying. Students are encouraged to speak up if they experience or witness bullying, and they can report concerns to any trusted staff member, either in person or through our confidential reporting system. We also provide regular education and awareness programs on respectful behaviour, digital citizenship, and the impact of bullying. Our school uses a restorative approach to resolve conflicts and supports students who have been affected by bullying, ensuring they feel heard and safe. Through proactive supervision, promoting kindness, and fostering strong peer relationships, we aim to prevent bullying before it starts and address any issues promptly and effectively.
