

School group travel on Opal network

From 1 August 2016 all customers travelling inside the Opal network will need a valid Opal card or Opal single trip ticket. This will change how you plan your school excursion travel. Make sure you include ticketing and travel arrangements in your planning.

Opal ticketing options

All students and adults will need a valid Opal card or Opal single trip ticket. For students this will be a Child/Youth Opal card or a Child/Youth Opal single trip ticket which can be bought on the day of travel. Single trip tickets are available at certain train stations and light rail stops. Adults will need to travel with an Adult Opal card or an Adult Opal single trip ticket which can be bought on the day of travel. Adult and Child/Youth Opal single bus tickets are available on non-prepay buses.

Schools will need to decide well in advance how they want to manage this. Options include:

- Students use their own Child/Youth Opal card.
Child/Youth Opal card is used by children/ youth for travel. Please note: parents/ guardians should ensure they have enough credit on the Child/Youth Opal card to cover the travel. School Opal cards are valid for trips to and from a student's school and home. They are not valid for travel on school excursions, or for school excursion travel.
- Schools manage the Child/Youth Opal cards on behalf of their students.
These can be registered by the school with Opal. Registering the cards with Opal will enable the school to manage the credit amount, preserve the balance on any lost cards, and request replacement cards.
- Purchase tickets on day of travel.
Consider this option as a last resort. Schools will need sufficient cash or a credit card, and will need to purchase individual tickets for each person travelling on the day of travel. Please note Opal single trip tickets are only available at certain train stations, wharves and light rail stops. Opal single bus tickets are available on non-prepay buses.

School Opal cards are valid for trips to and from a student's school and home. They are not valid for travel on school excursions, or for school excursion travel.

Payment options

- Cheques are no longer accepted for payment. Schools will need to use a credit card or cash.
