

Principal's Report

Leaders Speeches

Congratulations to the 14 Year 5 students applying for a leadership position in 2013. Leaders speeches presented at Monday's assembly were outstanding providing students and teachers with a very hard decision to make. It was wonderful to see the large number of experiences these

children have involved themselves with of which they talked about with pride and enthusiasm.

The students now move into the interview process as part of the selection of school leaders for 2013.

I look forward to the announcement of our new school leaders for 2013 at the Presentation Evening on Monday December 3.

Peace Poster Competition

Isabella Bond and Samantha Dunn are this year's winners of the

Cambewarra Peace Poster Competition. Both girls produced outstanding art works of which we were unable to pick a first prize, so Kangaroo Valley Rotary

Club have kindly accepted both artworks as first prize.

I look forward to hearing about the next round of competition

where

Samantha and Isabella are judged against the district. I'd like to commend both girls for their persistence and perseverance in producing beautiful artwork.

Leaving the School

Numbers for 2013 are indicating we will retain 13 classes. It is important to let the office know if you are leaving the school and haven't informed us, by the end of the year please.

Kinder Orientation

Our newest Kinders arrived last Wednesday with huge smiles on their faces and eagerness to get into the classrooms. From all reports the afternoon was a great success with the new Kinders returning this afternoon. Thank you to the P&C, uniform shop and Kinder parents for providing information, a cup of tea and a friendly face.

School Rubbish Collection

Over the last 8 weeks our school bin has gone from a 150kg up to 480kg. Unfortunately the school has had to pay for the increased weight in our school bin. There is no doubt that someone in the community is using our school bin to dump their rubbish. This morning there are very large sofa cushions leaning up against the bin and this has now become our problem to remove. It would be very helpful if those living close to the school can keep an eye out for anyone who might continue this practise and help us by calling security on 1300 880 021.

State Cricket

Congratulations to Sophie Phillips, Naomi Woods, Isabella Hoskin, Olivia Price, and Kyla Davidson who recently played at the State Cricket PSSA Carnival. The girls are to be congratulated for their wonderful approach to playing cricket and being wonderful ambassadors of Cambewarra Public School.

Have a wonderful fortnight.

Mrs Hilliar, Principal

Camp Quality Twilight Markets

This Friday November 16th 'Local Public Schools' will be teaming up with the *Camp Quality Twilight Markets* to present a performing arts extravaganza at the Shoalhaven Entertainment Centre. This exciting event will feature 8 local public schools displaying the outstanding talents and artistry of its Creative and Performing Arts Programs.

Cambewarra Public School has been invited to perform at this exciting event with the school band and the Stage 3 dance ensemble set to entertain the crowds. We will also have some Stage 3 artworks on display.

Please come along and support our wonderful public schools and of course our very own students in what promises to be a wonderful afternoon of music and entertainment. Bring a picnic rug and/or chairs and enjoy the entertainment, markets and fine foods on offer.

The event commences at 4.00pm and concludes at approximately 8.00pm.

Mr Dinnie.

Classroom Teacher

It's great to be back!!

Over the past month I have had the opportunity to travel overseas to many countries visiting schools and working with some outstanding educators and leaders in a variety of settings. I feel so privileged to have had this opportunity and to spread the word of our wonderful school and the achievements and progress we are making. Some of my highlights were doing Philosophy demonstration lessons in front of 20 teachers and Principals over 2 days in Leeds, England; presenting at an International Master Class on Leadership in Floro, Norway; working in a 2 day workshop training Educational Facilitators who are responsible for the implementation of Visible Learning across Scandinavia and the UK (Visible Learning is John Hattie's research and company); Meeting over 50 Principals and members of the leadership teams across 3 countries; looking at policy reform in Sweden; and one of my biggest highlights was being able to talk a little bit about education as an invited speaker at a TED Conference in Norrkoping Sweden. If you would like to view the talk please follow the link and please take the time to fill out the feedback form at the top. If I get enough likes then the TED committee begin to take notice: <http://tedxtalks.ted.com/video/Trent-Burns-on-The-ePITomy-of-C>

I feel very fortunate to work in a school where teachers are passionate about students and their learning. We all come from many different backgrounds to offer a unique education for all of our students based on the research in our Shared Vision. I look forward to continuing my research in education and making many more international connections. I have been accepted to present a workshop at the International Conference of Thinking in January in Wellington, New Zealand and I look forward to this great opportunity or not. In the meantime please don't hesitate to ask questions or drop an e-mail at: trent.burns@det.nsw.edu.au I look forward to utilizing my experiences and growing expertise to impact on the education of our students in a positive way.

Library News

In our Library, borrowing of books has finished for the year to enable all students to return books for stocktaking.

Please help by checking through your children's belongings and returning all school items.

Please note some barcodes are in the back of the book instead of on the front. If you cannot locate the books, please arrange to pay

for them at the office.

I encourage you to join your children to the town Library and keep up with reading over the holidays. The Book Mobile will continue to come to Cambewarra each fortnight.

Thanks to all our students who have contributed to the fun and learning in the Library this year. Here are some pictures of our Book Week dress ups.

What's Happening in the Garden?***WORM WEE IS ON ITS WAY!***

The garden is flourishing and we are getting more and more produce every week. With the weather warming up we have been down watering more and our tomatoes and strawberries are coming along nicely. We have planted all our herbs and hopefully we will be harvesting in the near future. 3/4B established their worm farm a few weeks ago and we are already producing worm wee. This is a great source of fertiliser for your gardens at home. It will be on sale at the produce stall on Wednesday mornings. If you have any tomato or strawberry plastic punnets, we would love you to donate them as we will need packaging to sell all our produce in the next few weeks. Please feel free to go down the back and check out our space and say hello to our 'ladies' (aka the chooks)!

Community Day of Action

In response to the NSW Government's Local Schools, Local Decisions, Every Student Every School Policy, the NSW Teachers' Federation has organised a series of community events across NSW to highlight the implementation of this Policy.

The Wollongong Community Day of Action for teachers, parents and concerned citizens will be held at McCabe Park, Wollongong from 11.00am to 1.00pm on Sunday November 18. Bring along a picnic lunch for a family fun day with activities for the kids and music.

The Teachers' Federation has launched the Putting Students First campaign to force the NSW Government to protect public schools, students and their families. The Federation has asked the Premier Barry O'Farrell and Minister for Education Adrian Piccoli to guarantee that there will be no more funding or staffing cuts to public schools in light of the \$1.7 billion worth of cuts to Public Education.

Must be comfortable with 60's, 70's and 80's disco!

DFO Shopping Trip Fundraiser

\$400 has been raised and donated by Donna Jones following the Canberra Direct Factory Outlet Shopping Trip in October. Donna organises the trip each year to raise funds for a local charity organisation. This year Donna chose to donate the funds to our Cambewarra School. **A big thank you goes to Donna.**

From all reports it was a *fun* day, enjoyed by all, with many a great bargain snapped up. Of the 30 people/ladies who went along, six were from our school community.

The P&C is considering asking Donna to organise a Cambewarra School shopping trip next year and having the coach filled with out school's mums, dads (they are always encouraged to go shopping for loved ones), grandparents, aunts and friends. Keep an eye out in Term 1 for a request of interest note.

Christmas Mufti Day

Tuesday November 27- end of year Christmas cheer.

Wear your Santa hat or some Christmas gear!

Instead of bringing a 'gold coin donation' we ask you to please bring a hamper item for the P&C Christmas Raffle. Anything you'd love to receive in a hamper prize, we'd love to have you donate. Items will be collected from classrooms; however any donations of alcoholic beverages must be delivered to the office by an adult.

P&C Christmas Raffle

A very big thank you goes to those families that have returned their raffle tickets. The mufti day note and tickets were sent home at the end of last week. Additional tickets are available at the office. Hampers will be made up from items donated on the mufti day and will be awarded at a special afternoon school assembly on Monday December 17.

Unreturned Entertainment Books

In May this year the P&C participated in the Entertainment Book fundraiser. Each family was given a book to take home and either purchase or return. There are still 20 outstanding unaccounted books. We urgently need to finalise this fundraiser as we will not be paid the monies owed to us by the book company until we do so. We are expecting to receive nearly \$700 which we would like to spend before the end of term. Reminder letters were sent home last week to those families who still have a book. Thank you to those families who have responded. Could the remaining families please return the book as soon as possible to the office or \$55 if you wish to keep the book.

School Banking

If your child doesn't already have their own bank account, then now is the time with Christmas approaching to start one up. All our new Kindy kids for 2013 were given a school banking kit last Wednesday as part of their school orientation package. Older siblings and other students may pick up a kit at the office or see Nichole Batson, our school banking coordinator on a *Monday morning from 8.30-9.00am* in front of Mrs Mison's classroom. School banking helps kids develop a value for money and the need to save for something special or important in the future. It also helps with maths and problem solving particularly when you need to know how many jobs at what price you will need to do to reach the amount to buy that new scooter. School banking also generates fund raising dollars for the P&C - \$5 for every new account and 10c for each deposit.

Toy Drive

There has been a great turnout of puzzles, games and toys, some still in their unopened wrapping, dropped off at the office. Thank you to those families who donated these items. If you are making way for those expected Christmas gifts, and we're sure that there has been many a good boy and good girl this year, then you are always welcome to drop off suitable games and toys at the office. Such items may include tactile equipment such as Lego, board games, dominoes, card games; free play such as pretend shopping, cooking and money; and sand pit toys.

Calf and Craft Fair

The date has been set as Saturday October 19 2013 for our Calf and Craft Fair. Following the request for help in the last newsletter, we have had the Hunter family volunteer as the Cambe Cafe Coordinator and had an encouraging enquiry for the Fair Coordinator position. Whilst we understand that everyone is busy with end of year events and thoughts are wandering towards Christmas and the Santa list, the Fair requires some initial early preparations which we would like to tick-off. Having a Fair Coordinator and a Coordinator for each stall gives us comfort in knowing there are families and friends committed to ensuring the Fair will be a success.

If your youngest child is in 4th or 5th grade, then next year's Fair will be your family's last. (We can hear the sighs of relief.) Stall Coordinators are required for the Book Stall, Fair Games, Face Painting, Moo Poo tickets and Craft Cottage. If you can't commit the time as a Stall Coordinator, help will also be required on each stall during the Fair day. So you may be able to provide an hour or two.

Please call Cindy Murray on 4446 0556 or send a note into the office if your family can volunteer as a Stall Coordinator or the Fair Coordinator.

Relay for Life

Our 2013 season is officially launched. Thank you to everyone who attended the launch and helped celebrate 10 years of Relay for Life in the Shoalhaven. A special thanks to Jane Brennan and her helpers for putting together such a great night.

The team information nights will be Tuesday January 22, Tuesday February 19, and Tuesday March 19, at 7.00pm at Nowra Showground.

Each of these occasions presents an opportunity to collect your teams' shirts, raffle tickets and merchandise as well as ask any questions you may have.

Please let all your Relay Team members know that we are reviewing our under 18's on the day registration process. The main focus will be on the adult supervisor (a parent or legal guardian) who will be on site at all times during the time that the under 18's are at Relay.

Exhibition of Botanical Works

Fitzroy Falls Visitor Centre will be holding a botanical works exhibition from next Monday 12th to Sunday 25th November.

The exhibition of botanical works by renowned Southern Highlands botanist Janet Cosh includes botanical illustrations and pieces from Wollongong University's Janet Cosh Herbarium. The show coincides with a new book about the life and work of this remarkable person.

Janet Cosh took up the study of botany in her late 60s and soon became an expert in the flora of the Southern Highlands, sharing this knowledge and interest with a wide range of people. Today, her legacy includes the Janet Cosh Herbarium at Wollongong University and the Janet Cosh Memorial Room at Fitzroy Falls, as well as the Janet Cosh Wildflower Walk, the Janet Cosh Lookout and Cosh Park at Sutton Forest.

The book, *Flowering Wonderfully - The Botanical Legacy of Janet Cosh*, has been compiled by Jean Clarke and Alison Haynes, and traces the life of a woman with exceptional talents and a deep interest in local botany and nature.

EXHIBITION DATES: 12 November – 25 November 2012

PLACE: Fitzroy Falls Visitor Centre, 1301 Nowra Road, Fitzroy Falls
