

Principal's Report

Classroom Teacher - 2013

I am pleased to announce the last permanent teaching position has been filled by Merit Selection and was offered and accepted by Mr Ben Ross. Mr Ross is very much looking forward to meeting the staff, students and parents and was over the moon to have been offered the teaching position for

2013. Mr Ross comes with a wealth of experiences in many areas and will add to our school in many positive ways.

Thank you to Amanda Poulton and Mrs Turner for the role they played as panel members and for the time they provided to read the enormous amount of applications.

The school will also see two new teachers transfer to Cambewarra Public School for the start of 2013. We welcome Ms Diane Kelly and Ms Martina Reitz who will bring to the school experiences in teaching across a number of different schools in New South Wales.

I look forward to welcoming our new teachers to the school in 2013 and know they will love to teach our fantastic Cambewarra students.

Our much anticipated Presentation Evening is fast approaching. The details are as follows:-

Students arrive at 5.30pm.

Students meet their teachers outside the Entertainment Centre.

Parents are seated by 5.45pm

Presentation begins at 6.00pm.

Students wear full school uniform.

All students are expected to attend.

Presentation Evening will conclude by 8.30pm

Our presentation Evening is always a highlight of the school year and one where we acknowledge and celebrate the improvements and achievements of many students.

Thank you to the generous donations of our local businesses, in particular those families who have donated to the school once again. Acknowledgement of Presentation Evening donations is located on the back of the program. Mrs Waters, Mrs Rogers, Mrs Collin, Mr Burns and Mrs Bryant have organised this year's evening alongside the support of the office staff. Thank you to this great team for putting the evening together. Thanks also to Mr Kuncio for finding photos of 2012 and making the much anticipated slide show to be shown at the end of the evening.

The staff and I look forward to sharing the evening with you all.

School Reports

Teachers have now completed school reports to be sent home on Friday December 14. These reports are a summary of your child's improvements and achievements throughout 2012. Please take the time to go through school reports with your children and in particular discussing the effort your child has made throughout the year.

Parents wishing to seek more information from the report are encouraged to make an appointment with the class teacher during the last week of this term.

Lost Property

As we move towards the end of this term it is time to remind parents to come to the office and look for lost uniform items before the lost property box is bundled up and taken away in the last week.

There are a number of items without names needing an owner.

Please take the time to go through lost property in the next few weeks.

Have a wonderful fortnight.

A School of Red, White and Green

Wow! What a tremendous response to our Christmas mufti day. The playground and classrooms were awash with Santa's helpful elves and many red, green and white colours. You could have been mistaken that you were visiting Santa's Christmas training school for good boys and girls.

Christmas Hamper Raffle

A very big thank you to everyone who not only got dressed up but also brought along a Christmas treat for the P&C's Christmas raffle. We managed to fill four big boxes with chocolates – in all shapes and sizes, biscuits, candy canes, Christmas decorations, a bottle or two of wine, sweets, lollies and much, much more. These goodies will be bundled up into Christmas hampers.

If you would like to donate anything further for the hampers, please drop goodies off at the office by Friday December 14. Raffle tickets will also need to be in by this day. If you would like to buy additional tickets then pick up a bundle from the office. The winners of the Christmas hampers will be drawn on Monday December 17. Thank you and good luck.

Unreturned Entertainment Books – Last Chance!

We have one final opportunity to send in either book or payment before this fund raiser closes. We need you to make every effort to locate the lost books in classrooms, school bags, kitchen drawers etc. We will NOT be paid any amount raised unless we endeavour to return all books. Thank you to those families that have done so.

Friday December 7 is our last day to account for all the outstanding books. If your family hasn't responded could you please send in the Book, \$55 or an explanation note so this fundraising activity can be finalised. The P&C is looking forward to receiving its fundraising cheque to spend on school resources.

2013 Calf and Craft Fair

Just a quick update to let you all know that the P&C would like to confirm a volunteer for next year's Fair Coordinator position before the end of school. We have had an encouraging enquiry but would like to make sure we have the position filled for when we start school next year. We have also had families commit to some of the Stall Coordinator positions. Thank you to Rachael Batchelor – Moo Poo Raffle, Mary Fineran – Face Painting, Leanne Coombes – Cake Stall, Gina Wilson-Burns – Marketing, and Natalie Hall – Tombolas. Stall Coordinators are still required for the book stall, fair games, Craft Cottage and craft stall.

If you were a Stall Coordinator in 2011, could you also please confirm your availability to do it again in 2013. Alternately if you are looking for a change to a different Fair role then let us know. There are many jobs and we require many hands to help out both leading up to and on the Fair day.

Next year we would like to pair stall coordinators up with a family from a 2013 Kindergarten, first or second grade class to ensure that the success of the Fair is carried on by new families as our old families move on to high school. Michelle Hartnett, with Laila in Kindergarten next year, has already volunteered to pair up with Leanne Coombes on the cake stall. A list of stalls and stall coordinators will be sent home to Kindergarten and Stage 1 families in Term one. If you have a special interest in books, plants, craft, making milkshakes or cooking a BBQ then let us know now and we can pair you up with the appropriate stall.

Please call Cindy Murray on 4446 0556 or send a note to the office if you or your family can volunteer as the Fair Coordinator, a Stall Coordinator, or a stall helper. And remember to put Saturday October 19 down as the Cambewarra Calf and Craft Fair in your new 2013 calendars and diaries.

Volunteers

This week we have volunteers away, working and having surgery and we will need urgent assistance particularly on Thursday and Friday. If you can help on these or any other morning for the rest of the year please let me know.

I'd like to give a very warm welcome to Kim Smalle and her daughter Hailey to our school. Hailey started in Kindy a month ago and mum in the canteen the same week. Kim's enjoyed it so much that she's helped out twice a week and will continue to support the canteen by joining the Canteen Committee pending work commitments. She also, due to unforeseen circumstances, single handedly represented our Canteen at the Shoalhaven Canteen Forum and sparked great interest in our yummy homemade products and the school's chooks and vegie garden. Magnificent job Kim!

Kim said "I've loved working in the Canteen and getting to know everyone..... I enjoy coming to the canteen and feeling useful and being around nice people."

Thanks to our all our regular rostered and fill in volunteers too:- Vicky Lowbridge, Mary Fineran, Linda Stevens, Skye O'Sullivan, Rae Carter, Bec Johnston, Carol Hunter, Jane Brown, Mel Hyam, Rachel Batchelor, Cathy Corkett and also Wendy Carroll and all those that have filled in for me when I was away for a week.

Call or text me on Mob: 0477 889 327 if you can assist. Use the roster below to plan ahead.

School Banking

If your child doesn't already have their own bank account, then now is the time with Christmas approaching to start one up. All our new Kinder kids for 2013 were given a school banking kit last Wednesday as part of their school orientation package. Older siblings and other students may pick up a kit at the office or see Nichole Batson, our school banking coordinator on a Monday morning from 8.30-9.00am in front of Mrs Mison's classroom. School banking helps kids develop a value for money and the need to save for something special or important in the future. It also helps with maths and problem solving particularly when you need to know how many jobs at what price you will need to do to reach the amount to buy that new scooter. School banking also generates fund raising dollars for the P&C - \$5 for every new account and 10c for each deposit.

Toy Drive

There has been a great turnout of puzzles, games and toys, some still in their unopened wrapping, dropped off at the office. Thank you to those families who donated these items. If you are making way for those expected Christmas gifts, and we're sure that there has been many a good boy and good girl this year, then you are always welcome to drop off suitable games and toys at the office. Such items may include tactile equipment such as Lego, board games, dominoes, card games; free play such as pretend shopping, cooking and money; and sand pit toys.
