Presentation Evening

Last Monday evening we were fortunate to have our Presentation Evening in the Shoalhaven Entertainment Centre. This was again another delightful night full of wonderful surprises with student achievements in many areas. It was lovely to look out from the stage and see so many smiling

faces. Congratulations to our school leaders Emily, Brodie, Kyla and Travis for running the evening so well, particularly when you had to make quick decisions to adapt to the changes of the program in the moment.

Looking back over the year in pictures made us remember so many of the wonderful opportunities and events that occurred throughout 2012. Thank you to Mr Kuncio for putting the year in pictures for our Presentation Evening. Thank you also to our sponsors and to the office staff for making the certificates, organising the program and book prizes.

Our Cambewarra kids are simply the best!

Luke Coombes

Luke "I was shocked and pleased. I was glad I didn't have to wait too long"

I'd like to congratulate the Year 5 students who missed out on a leader's position.

These students were able to congratulate the new leaders with sincerity. We all know how difficult it is to experience the disappointment of missing out on something we really wanted. The resilience of these students has been remarkable and I am very proud of all of them.

School Leaders

Sophie Phillips

2013 School leaders were announced at Monday night's Presentation Evening. Congratulations to Luke Coombes, Keeghan Norwood, Sophie Phillips and Jessica Ward who were delightful in their response when their names were announced at the end of the night. The enormous smiles beaming from their faces were enough to tell us

how thrilled they were to have been selected as a school leader for 2013. This is what they told me.

Sophie said "When I heard my name for a minute I didn't think I heard it correctly. When I got my badge I was really excited."

Jessica "I was stoked that I received the student leader."

Keegan "I was relieved that I didn't have to wait and sweat any longer."

Leaving Families and Students

At the end of the school year we say goodbye to a number of families whose last child is finishing primary school. It is always a sad time for us to say goodbye particularly as we have worked together for quite some time to help each child to become the best person they can be. We also say goodbye to a number of families leaving the area, wishing them an easy move and success in relocating and connecting into their new communities. Our very best wishes go to our current Year 6 as they move into another stage of their lives. We trust that everything we have tried to instil in them, particularly the core values and maintaining a positive attitude to learning remains with them for the rest of their lives. They have been an exceptional group of students with a relaxed yet responsible manner to school life.

Important Dates for 2013

School resumes for staff on Tuesday January 29.

School resumes for students in Years 1-6 on Wednesday January 30.

Best Start Assessment for Kindergarten begins Wednesday January 30th and finishes Friday February 1. Kindergarten students begin Monday February 4. New classes for students will begin on Friday February 1 or Monday February 4. P&C meeting will be on Monday February 4 at 6.30pm in the staffroom.

Assembly "Class Awards"

Our apologies for the late notification that the assembly for Monday December 10 has been re-scheduled for Monday December 17 at 9.00am.

We are sorry for any inconvenience.

Thank you everyone

(As read at Presentation Evening)

I read this out at our Presentation Evening and would like to include it again in this newsletter.

It is at this time I feel a great deal of gratitude for the wonderful school I am privileged to come to each day... so.....

"Thank you parents and friends for continually showing such tremendous support for the education we are trying to provide here at School. Thank you for helping us to create such a friendly and welcoming school for everyone. Thank you for helping us develop strong partnerships between home and school to build a brighter future for our children. I really appreciate your generosity of time and the way you come together to support us.

I'd like to thank the wonderful staff at Cambewarra School and by staff I mean everyone, teachers, support staff, office staff, right through to Malcolm the cleaner and Bill the handyman. The way you supported one another, particularly through the difficult time when we were dealing with the sad loss of our dear friend and colleague Anne, was nothing short of inspiring. Your resilience was courageous. It was a privilege to witness such connectedness between you all. Thank you for the things you do for the children. I know how hard you work, I know the long hours you put into your programs, I know the hours you spend thinking about the kids away from school. Thank you for working towards the common goal of developing the skills, the knowledge and the capacity of your children. Thank you for being such a wonderful group of people to work with.

Lastly thank you to all of the boys and girls for making every morning a worthwhile reason for me to get up and

come to school. My favourite part of the day is when I'm talking with you about your learning, lending you a ball to play with or helping you solve a problem you might have found yourself in. I love to see you working hard, trying, persevering and learning to do the things you thought you'd never be able to do. While I miss having my own class to teach, your visits I really enjoy. Keep trying hard because as I keep saying the things in life worth doing are worth doing well."

On behalf of the staff at Cambewarra School I'd like to take this opportunity to wish you all a wonderful Christmas and hope that the time spent with your family is warm, special and treasured. We hope that this is a wonderful time to share with one another and that there is a moment to reflect on how fortunate we are when much of the world continues to struggle with war, poverty and famine.

Christmas blessings to each and every one of you.

ChaikaFest - For Children Who Like Music

The ChaikaFest will be at Tomerong Sunday Feb 3rd 2013 from 4pm – 10pm in the Tomerong Hall. There will be an afternoon and evening of ‘festival atmosphere’ with Sydney band Chaika. Enjoy workshops for kids and adults, a concert, food, drink and plenty of chance for jamming in between! We encourage everyone to come along, bring instruments, families and friends and help create our mini festival at Tomerong Hall.

Kids Workshop 4.00pm - Appropriate for ages 4 to 14

Learn fun rhythms, dance and melody to some crazy Balkan music and then discover the instrument world of Chaika – how high can a violin go? What makes an accordion wheeze? What is that giant bass violin? This hour workshop will engage kids of a wide age group. Those who can play an instrument should bring it along and will have a chance to learn some music and play with the band. We will also have a variety of percussion instruments for experimentation! Kids under 8 should be supervised by a parent. \$10

Singing Workshop 5.30pm – open to all those who can sing

Concert with Chaika 7.30pm

Sydney based quintet Chaika is both eclectic and beautiful, fusing traditional elements of Balkan and European music with original music tinged with jazz and celtic. Audiences have been spellbound by performances to packed out venues in Sydney and festivals across NSW. Now is your chance to catch Chaika on their first official tour! Chaika will not only enchant you with their expressive and intricate instrumentals, but also with their haunting vocal solos and exquisite 4 part female vocal harmonies in a diverse range of languages.
