

CAMBEWARRA PUBLIC SCHOOL BULLETIN

We've made some changes to the format of our newsletter. This change will link into the upgrades coming to our website soon. Our new format is responsive to various technologies such as notebook, tablet or smartphone, allowing ease of reading in the way that you use your devices. We will endeavour to make this transition smooth, but please bear with us as we bring it all together in the coming weeks. The new format is a trial and has coincided with Ysabel taking on the publication of the newsletter as Emily has farewelled us and takes up a new permanent teaching appointment in the Illawarra at the end of her current 'prac' block and subsequent graduation.
