A little bit about Peak!

Peak Sports & Learning is an outside school hours care provider with a difference. Our philosophy is based on the concept of **FITNESS, EDUCATION & FUN!** Three ingredients to getting children actively involved in sports, literacy and numeracy and most of all have rewarding and fun experiences in the process.

We will provide each child with the opportunities to develop, progress and learn. Our philosophy is simple; every child in our care will learn and progress in an environment that is rich in sports and education. Our program includes time for daily play, arts and crafts, structured and unstructured activities, recreation and sport, and indoor and outdoor activities. We value the foundation that a healthy childhood gives to a successful life.

Our Goals

- To develop and encourage social, sporting and literacy based skills with children.
- Provide opportunities for children to learn through social interactions and develop and build strong meaningful relationships with carers and their peers.
- Respect the choices and decisions made by each child, and value the differences each individual brings to our community.
- Foster trusting and caring relationships between staff and families, and support parents as they balance work and family life.
- Provide qualified, experienced and motivated educators who are responsive to children's interests and needs - and are there to guide, facilitate and support children's learning and development.
- To provide a secure and safe setting.
- To provide as much educator-parent contact for better understanding and child outcomes.
- To get children interested and involved in sports.
- Have fun and make new friends!

Our Cambewarra Centre

Our Cambewarra Centre will operate out of the OOSH building at Cambewarra Public School and will open from 31st October 2022!

Please note enrolments do not automatically transfer from COOSH to Peak. Families will need to enrol with Peak via our website.

Peak Sports & Learning will announce when enrolment is open!

We understand there can be nerves starting! Families are welcome to pop into the centre any time between 3:30-6pm to introduce your child/children to the staff when we open.

If you have any questions, please do not hesitate to contact our Administration staff at the office and we can make any necessary arrangements to help put you all at ease!

Before School Care

During our Before School Care Program children are involved in various activities that help prepare them for the school day ahead such as sports, craft, cooking and quiet activities.

HOURS OF OPERATION

7:00am – 9:00am

FEES

Notice period	Session Fee	Cancellation
More than 24 hours notice (from session start time)	\$25 (Less subsidies)	No fee
Less than 24 hours notice (from session start time)	\$29 (\$25 + \$4 booking fee, less subsidies)	\$3 cancellation Fee (Session fee removed)

***Latest time to cancel:** Where notice of a cancellation is received after 6pm the day prior, the usual session fee applies, less subsidies where entitled. Where a medical certificate is produced no cancellation fee applies.

MENU: Breakfast

Each morning children enjoy a healthy and nutritious breakfast to start the day.

- Cereals: Weetbix, Corn flakes, Sultana Bran, Cheerios
- Toast: Vegemite, cheese, honey, jam, cream cheese on wholemeal bread.
- Seasonal Fruit: Watermelon, rockmelon, apples, oranges, pears.
- Beverages: Water and milk.
- We occasionally cook our own breakfast and enjoy yummy foods such as pancakes, milo, smoothies, muffins etc.
- Gluten Free? No worries! We provide Gluten Free foods. We also try our best to cater for any food allergies.

After School Care

Our After School Care service is highly sought after and loved by both parents and kids! We implement a daily program with a sports and learning focus that enriches children's learning and helps them to achieve their highest! Our program is developed in accordance with the National Quality Framework, the My Time our Place Learning Outcomes and Quality Areas and the NSW Department of Education and Training Curriculum and Syllabus. Each Term the children have input into what program we run for the term. The program is available to parents and families on the sign in table.

HOURS OF OPERATION

3:00pm – 6:00pm

- Fruit Bars
- Plain popcorn
- Vege crisps

Gluten Free? No worries! We provide Gluten Free foods. We also try our best to cater for any food allergies.

Parents/Carers are to supply lunch for their child during Vacation Care.

Child Care Subsidy

On enrolment, Customer Reference Numbers (CRN) for parent/carer and child can be entered. This enables our service to link up to Centrelink. Please note children have their own unique CRN to their parent/carer. CRNs are 9 digits followed by a letter e.g. 234567891 X.

From 2 July 2018, the Government introduced the new Child Care Subsidy (CCS). Peak Sports and Learning is an approved child care service and our fees are reducible by Child Care Subsidy reductions provided by the Government. Families who haven't been assessed for CCS can complete their assessment through their online myGov account.

The amount of Child Care Subsidy you can get depends on your circumstances. Factors considered are:

- Your family's income
- The hourly cap based on primary school aged care
- The hours of activity you and your partner do

More information can be found online at:

<https://www.humanservices.gov.au/individuals/services/centrelink/child-care-subsidy>

It is the parent/carer's responsibility to apply for these subsidies and to ensure they have a current assessment notice. Failure to comply with the Family Assistance office will result in full fees being charged.

Once Peak Sports & Learning receives an enrolment you need to confirm the enrolment details. Our Administration team can provide estimates based on the information available.

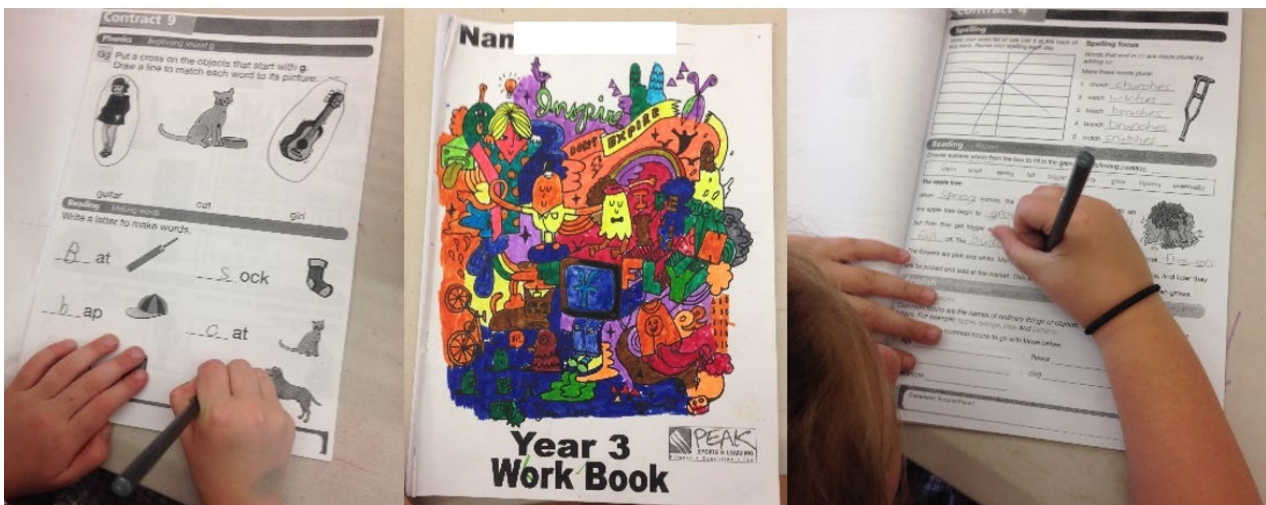

Child Care Subsidy Gap Fee Examples				
Service	Base Fee	Gap – 25% CCS	Gap – 50% CCS	Gap – 85% CCS
BSC	\$25	\$19.70	\$14.41	\$6.99
ASC	\$35	\$27.06	\$19.11	\$7.99
VAC	\$68	\$51.85	\$35.70	\$13.09

All About Education

Peak Sports and Learning's tuition program has strong ties with current Department of Education & Communities curriculum's and syllabus outcomes. This allows your child to practice and gain feedback from qualified staff on current outcomes that they will be studying at school.

You are encouraged to talk to Peak Sports and Learning's Educators in regard to your child's current academic levels. Your child is encouraged to bring homework, projects or a home reader to Peak. If homework is brought to the centre, children will complete their homework under the guidance of qualified staff.

Our afternoon structure includes a rotation where the children will do any homework or home reading with our staff. If your child does not have any tasks that have been brought home we have our own Peak work booklets that they can complete depending on their current school year and term!

Term Topics: Each Term the children help decide a topic of focus that we centre learning, arts and crafts and other games and activities around. Some Term Topics for example have been Animals, Outer Space, Under the Sea, Nutrition, Dinosaurs, Countries around the world etc.

All about Sports

Using the game sense approach, Peak Sports and Learning has developed a program that focuses on fundamental skill development through minor games. The focus of this approach is not just skill development; however the focus is on developing a child's understanding of the game. It has been proven that as a child's understanding of a game improves, it increases that child's enjoyment and their overall skill level. Minor games covering various sports will be used in a non-competitive environment.

Some examples of sports that are included in the program are:

Soccer, Touch Football, Duster hockey, Rugby League, Golf, Dragon Tag, Basketball/Netball, Ultimate Frisbee, Dance, Gymnastics, Yoga, Athletics, Cheerleading, Volleyball, Hockey, Bocce, Cricket, Oz Tag, Hip Hop and more.

What if my child does not like sport? There are several reasons why some children do not like sports. These can include: Fear of failure; Lack of understanding; Peer pressure; Over competitive environment; Self-conscious; Undeveloped skills and limited sport choices.

Peak Sports and Learning recognises these reasons and has developed programs that break down these barriers and are inclusive for all. Programs will cater for elite sports children, whilst also catering for children with little or no sporting background. Children will be encouraged to participate in all forms of sport and physical activity where applicable. If your child is not enjoying or having difficulty with an activity, we will always offer alternate arrangements to better suit their needs and preferences.

What we get up to in Term

We use StoryPark to keep you up to date!

Enrolling @ Peak

Registration is completed online from our website

Service NSW Vouchers

Voucher Transfer Information:

As per the BASC Voucher terms and conditions, BASC Vouchers are non-transferrable between providers. However, in the case of a service transfer, the NSW Government is open to working with providers to ensure that parents do not lose the value of the BASC Vouchers.

For families that redeemed their Service NSW \$500 BASC Voucher with COOSH, any amounts remaining will be confirmed and transferred to Peak Sports & Learning in due course. This process will be completed directly between Peak (The provider) and Service NSW.

For families who applied to Service NSW by 30th Sept 2022 for vouchers but have not yet redeemed, they can email the voucher to admin@peaksportslearning.com.au to redeem for any attendances up to 30th June 2023 (unless used earlier).

For more information contact us today!
